

Introduced by Senator Florez

February 20, 2003

An act to add Section 290.155 to the Penal Code, relating to sex offenders.

LEGISLATIVE COUNSEL'S DIGEST

SB 424, as introduced, Florez. Sex offenders.

Existing law requires persons convicted of any specified sexual offense to register with local law enforcement officials, as specified.

This bill would require local law enforcement to compile and deliver a bi-annual report to the Department of Justice that will allow state and local law enforcement to reconcile their sex offender registries.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 290.155 is added to the Penal Code, to
2 read:
3 290.155. Each chief of police, county sheriff, and chief of
4 police of a campus of the University of California, The California
5 State University, or community college that registers sex offenders
6 pursuant to Section 290 shall compile and deliver to the
7 Department of Justice a bi-annual report with regard to persons
8 described in paragraph (2) of subdivision (a) of Section 290 that
9 reside, are located, are attending school, or are working in their
10 jurisdiction that will allow state and local law enforcement to
11 reconcile their sex offender registries.
12 SEC. 2. Notwithstanding Section 17610 of the Government
13 Code, if the Commission on State Mandates determines that this
14 act contains costs mandated by the state, reimbursement to local
15 agencies and school districts for those costs shall be made pursuant
16 to Part 7 (commencing with Section 17500) of Division 4 of Title
17 2 of the Government Code. If the statewide cost of the claim for
18 reimbursement does not exceed one million dollars (\$1,000,000),
19 reimbursement shall be made from the State Mandates Claims
20 Fund.
